**3/15/10**

**Everyone wear Green Tomorrow!!!!**

**Plant a Flower Day this Friday!! Please bring in a plant for your child.**

Thanks to those parents who purchased supplies for your child. If you have not, please do so. The teacher will post the name of the ones that have turned theirs in. **Let's be FAIR!!!!**

I would like to thank the staff of their hard work. As a parent, I know it takes a lot for me to handle two children but to handle 9 and up at one time. I commend each of you for your service to our children. Parents remember teachers are human just like us. They will make mistakes but the key word is mistake. As parents, we slip in our duties. I said WE because this includes me as well.

Please remember the importance of COMMUNICATION with the Parent & the Teacher. We are role models for our children. Let's teach them right. Remember it takes all of us working together to make sure the children receive the best education.

There are viruses going around. If your child is running a fever of 101 or higher, they cannot attend school until they are 24 hours free of a fever.

Please make sure the office has your current telephone number and email address. If it changes please provide us with the new one.

### **Read-A-Book Month of March & April**

Parents please read a book to your child each night. Write the name of the book and your child's name on the pad the teacher provides to you. The class who reads the most books will have a Pizza Party. Also, the children will receive a certificate, coupon to McDonald and most of all your TIME.

It's time to renew certificates. Please call DHS (NOW) to see if you need to renew. The certificate ends March 31<sup>st</sup>. All copays will be changing as of April 1<sup>st</sup>. A letter will be issue with the new copay no later than March 31<sup>st</sup>.

Due to Easter Holiday, Color Craft Picture will be April 10-11<sup>th</sup>. The center will contact the individuals to setup a time for pictures. Please let your buyer know.
