### Classes start at 9 a.m.

In order for the teachers to teach your child, they need to be in class at 9 a.m. Early education plays important part in your child's education. I know that you want the best education for your child. Also, it takes your help at home. Report cards will be issue out on October 7<sup>th</sup>. Report cards can not leave the center. Please review in class, sign them & give back to the teacher.

T-Shirts are back, please see me.

**A B C**s Of Student Success

**E** is for EMPATHY.

Empathy is a person's ability to identify and feel others' concerns. Parents can help to develop this important virtue in many ways.

- Let your child know how pleased you feel when he or she behaves in a kind way.
- Point out positive differences made when children do kind acts, no matter how small.
- When reading with your child, ask how people in the books feel in their situations.
- Help your child identify how someone feels and then identify a way to help.
