September 24<sup>th</sup> is Food Service Worker Day let's not forget to show Mrs. Redfield our appreciation for a job well done.

Now that the children have had time to get to know their teachers and each other, it is time for them to become more familiar with different centers in the classroom. The theme this month is "The Five Senses." The teachers have many activities planned to give children the opportunity to use their senses to explore their world.

Our goal for this month is to help the children become aware of their five senses and how to use them.

This month the theme is "Five Senses & Johnny Appleseed".

**Modeling Good Citizenship**

- ▶ Be a good role model at all times. Children learn from what they witness.
- ▶ Model a clear sense of right and wrong by obeying laws and making thoughtful decisions.
- ▶ Show children you care about people by modeling friendship with others, lending a hand to neighbors, or working with charities.
- ▶ Practice recycling at home. It demonstrates wise use of Earth's resources.
