### What's New.....

## FUNDRAISER START TODAY!!!!

I hope everyone had a nice Labor Day!

The center will be starting its 1<sup>st</sup> fundraiser for this school term on today, Sept 8<sup>th</sup> all funds will go towards new playground equipment. Each child is asked to participate in the fundraiser. The top-seller will receive 3 nights & 4 days vacation. Please see your child's teacher or a Director.

A flyer is in your child's binder on the swine flu, please read. We are trying to make sure everything is sanitized each day. By doing this, we need your help! Please send EXTRA sanitized wipes, spray, soap, tissue & paper towels. Please check with your child's teacher to make sure the class is covered. If your child is sick, please do not send them to school. You will be called to pick them up.

For those who are certificates, it's time to renew your forms. Please contact DHS if you have not received them. If you would like to see if you qualify, please contact them as well.

Grandparent's Day will be Thursday, Sept 10<sup>th</sup> for the center. If possible, ask the grandparents to stop by for refreshments and visit with the kids. Sign up list is in the foyer.

In October, the parent & teacher of quarter will be announced. So, please show your support in order for you to be nominated.

## Welcome Back!!

We would like to welcome Mrs. Pollard back. We thank God everything went fine for her.

### A B C's Of Student Success

**B** is for BEDTIME.

*Awwwwww Mom! Already?* Sound familiar? On average, children need 8 to 10 hours of sleep each night. Sleep is important for many reasons. Lack of sleep can cause kids to be hypersensitive, impatient, or cranky. It is more difficult for children to concentrate and learn when they are tired. (Some doctors even believe that during sleep the brain "files away" what is learned during the day.) Encouraging quiet activities -- such as reading -- just prior to bedtime offers a transition that helps children relax. *Sweet dreams!*
